INDEPENDENT AUDITOR'S REPORT

To The Members of M/s Forever Buildtech Limited (Formerly known as Forever Buildtech Private Limited)

Report on the Audit of the Standalone Financial Statements

Opinion

We have audited the accompanying standalone financial statements of Forever Buildtech Limited (Formerly known as Forever Buildtech Private Limited) (the "Company"), which comprise the Balance Sheet as at March 31, 2026, the Statement of Profit and Loss (including Other Comprehensive Income), the Statement of Changes in Equity and the Statement of Cash Flows for the year ended on that date and a summary of significant accounting policies and other explanatory information (hereinafter referred to as the "standalone financial statements").

In our opinion and to the best of our information and according to the explanations given to us, the aforesaid standalone financial statements give the information required by the Companies Act, 2013 (the "Act") in the manner so required and give a true and fair view in conformity with the Indian Accounting Standards prescribed under Section 133 of the Act read with the Companies (Indian Accounting Standards) Rules, 2015, as amended, ("Ind AS") and other accounting principles generally accepted in India, of the state of affairs of the Company as at March 31, 2026 and its loss, total comprehensive loss, changes in equity and its cash flows for the year ended on that date.

Basis for Opinion

We conducted our audit of the standalone financial statements in accordance with the Standards on Auditing ("SA"s) specified under Section 143(10) of the Act. Our responsibilities under those Standards are further described in the Auditor's Responsibilities for the Audit of the Standalone Financial Statements Section of our report. We are independent of the Company in accordance with the Code of Ethics issued by the Institute of Chartered Accountants of India ("ICAI") together with the ethical requirements that are relevant to our audit of the standalone financial statements under the provisions of the Act and the Rules made there under, and we have fulfilled our other ethical responsibilities in accordance with these requirements and the ICAI's Code of Ethics. We believe that the audit evidence obtained by us is sufficient and appropriate to provide a basis for our audit opinion on the standalone financial statements.

Information Other than the Financial Statements and Auditor's Report Thereon

The Company's Board of Directors is responsible for the other information. The other information comprises the information included in the Board's Report including Annexures to Board's Report, but does not include financial statements and our auditor's report thereon.

Our opinion on the standalone financial statements does not cover the other information and we do not express any form of assurance conclusion thereon.

In connection with our audit of the standalone financial statements, our responsibility is to read the other information and, in doing so, consider whether the other information is materially inconsistent with the standalone financial statements or our knowledge obtained during the course of our audit or otherwise appears to be materially misstated.

If, based on the work we have performed, we conclude that there is a material misstatement of this other information; we are required to report that fact. We have nothing to report in this regard.

Management's Responsibilities for the Standalone Financial Statements

The Company's Board of Directors is responsible for the matters stated in Section 134(5) of the Act with respect to the preparation of these standalone financial statements that give a true and fair view of the financial position, financial performance, including other comprehensive income, changes in equity and cash flows of the Company in accordance with the Ind AS and other accounting principles generally accepted in India. This responsibility also includes maintenance of adequate accounting records in accordance with the provisions of the Act for safeguarding the assets of the Company and for preventing and detecting frauds and other irregularities; selection and application of appropriate accounting policies; making judgments and estimates that are reasonable and prudent; and design, implementation and maintenance of adequate internal financial controls, that were operating effectively for ensuring the accuracy and completeness of the accounting records, relevant to the preparation and presentation of the standalone financial statements that give a true and fair view and are free from material misstatement, whether due to fraud or error.

In preparing the standalone financial statements, management is responsible for assessing the Company's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless management either intends to liquidate the Company or to cease operations, or has no realistic alternative but to do so.

The Board of Directors is also responsible for overseeing the Company's financial reporting process.

Auditor's Responsibilities for the Audit of the Standalone Financial Statements

Our objectives are to obtain reasonable assurance about whether the standalone financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with SAs will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these standalone financial statements.

As part of an audit in accordance with SAs, we exercise professional judgment and maintain professional scepticism throughout the audit. We also:

- Identify and assess the risks of material misstatement of the standalone financial statements, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.
- Obtain an understanding of internal financial control relevant to the audit in order to design audit procedures that are appropriate in the circumstances. Under Section 143(3)(i) of the Act, we are also responsible for expressing our opinion on whether the Company has adequate internal financial controls system in place and the operating effectiveness of such controls.
- Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by the management.
- Conclude on the appropriateness of management's use of the going concern basis of accounting and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the Company's ability to continue as a going concern. If we conclude that a material uncertainty exists, we are required to draw attention in our auditor's report to the related disclosures in the standalone financial statements or, if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of our auditor's report. However, future events or conditions may cause the Company to cease to continue as a going concern.
- Evaluate the overall presentation, structure and content of the standalone financial statements, including the disclosures, and whether the standalone financial statements represent the underlying transactions and events in a manner that achieves fair presentation. Materiality is the magnitude of misstatements in the standalone financial statements that, individually or in aggregate, makes it probable that the economic decisions of a reasonably knowledgeable user of the standalone financial statements may be influenced. We consider quantitative materiality and qualitative factors in (i) planning the scope of our audit work and in evaluating the results of our work; and (ii) to evaluate the effect of any identified misstatements in the standalone financial statements.

We communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that we identify during our audit.

We also provide those charged with governance with a statement that we have complied with relevant ethical requirements regarding independence, and to communicate with them all relationships and other matters that may reasonably be thought to bear on our independence, and where applicable, related safeguards.

Report on Other Legal and Regulatory Requirements

1. As required by Section 143(3) of the Act, based on our audit we report that:-

- a. We have sought and obtained all the information and explanations which to the best of our knowledge and belief were necessary for the purposes of our audit.

- b. In our opinion, proper books of account as required by law have been kept by the Company so far as it appears from our examination of those books except for the matters stated in paragraph h(vi) below on reporting under Rule 11(g) of the Companies (Audit and Auditors) Rules, 2014 (as amended).
- c. The Balance Sheet, the Statement of Profit and Loss including Other Comprehensive Income, Statement of Changes in Equity and the Statement of Cash Flows dealt with by this Report are in agreement with the books of account.
- d. In our opinion, the aforesaid standalone financial statements comply with the Ind AS specified under Section 133 of the Act.
- e. On the basis of the written representations received from the directors as on March 31, 2026 taken on record by the Board of Directors, none of the directors is disqualified as on March 31, 2026 from being appointed as a director in terms of Section 164(2) of the Act.
- f. With respect to the adequacy of the internal financial controls over financial reporting of the Company and the operating effectiveness of such controls, refer to our separate Report in "Annexure A". Our report expresses an unmodified opinion on the adequacy and operating effectiveness of the Company's internal financial controls over financial reporting.
- g. With respect to the other matters to be included in the Auditor's Report in accordance with the requirements of Section 197(16) of the Act, as amended we report that company has not paid any managerial remuneration, Hence reporting as per Section 197(16) is not required.
- h. With respect to the other matters to be included in the Auditor's Report in accordance with Rule 11 of the Companies (Audit and Auditors) Rules, 2014, as amended, in our opinion and to the best of our information and according to the explanations given to us:
- I. The Company has disclosed the impact of pending litigations on its financial position in its financial statements in Note 37.
- II. The Company had not entered into any long-term contracts including derivative contracts.
- III. There was no amount which was required to be transferred to investors education & protection fund.
- IV.
- a) The Management has represented that, to the best of its knowledge and belief, no funds (which are material either individually or in the aggregate) have been advanced or loaned or invested (either from borrowed funds or share premium or any other sources or kind of funds) by the Company to or in any other person or entity, including foreign entity ("Intermediaries"), with the understanding, whether recorded in writing or otherwise, that the Intermediary shall, whether, directly or indirectly lend or invest in other persons or entities identified in any manner whatsoever by or on behalf of the Company ("Ultimate Beneficiaries") or provide any guarantee, security or the like on behalf of the Ultimate Beneficiaries;
- b) The Management has represented, that, to the best of its knowledge and belief, no funds (which are material either individually or in the aggregate) have been received by the Company from any person or entity, including foreign entity ("Funding Parties"), with the understanding, whether recorded in writing or otherwise, that the Company shall, whether, directly or indirectly, lend or invest in other persons or entities identified in any manner

- whatsoever by or on behalf of the Funding Party ("Ultimate Beneficiaries") or provide any guarantee, security or the like on behalf of the Ultimate Beneficiaries;
- c) Based on the audit procedures that have been considered reasonable and appropriate in the circumstances, nothing has come to our notice that has caused us to believe that the representations under sub-clause (i) and (ii) of Rule 11(e), as provided under (a) and (b) above, contain any material misstatement.
- V. The company has not declared or paid any dividend during the year.
- VI. As stated in Note 41 to the standalone financial statements and based on our examination which included test checks except for instances mentioned below, the Company, in respect of financial year commencing on 1 April 2025, has used accounting software for maintaining its books of account which have a feature of recording audit trail (edit log) facility and the same have been operated throughout the year for all relevant transactions recorded in the software. Further, during the course of our audit we did not come across any instance of audit trail feature being tampered with, other than the consequential impact of the exceptions given below. Furthermore, except for instances mentioned below the audit trail has been preserved by the Company as per the statutory requirements for record retention.

Nature of exception noted	Details of Exception
Instances of accounting software maintained by a third party where we are unable to comment on the audit trail feature at database level	The accounting software used for maintaining accounting records of the Company are operated by third party software service provider. The Independent Service Auditor's Assurance Report on the Description of Controls, their Design and Operating Effectiveness' ('Type 2 report') issued in accordance with ISAE 3402, Assurance Reports on Controls at a Service Organization) was available for part of the year. In the absence of any information on existence of audit trail (edit logs) for any direct changes made at the database level in the Type 2 report, we are unable to comment on whether the audit trail feature with respect to the database level of the said software was enabled and operated throughout the year.
Instances of accounting software for maintaining books of account for which the feature of recording audit trail (edit log) facility was not operated for all relevant transactions recorded in the software	The audit trail logs in the accounting software used for maintenance of the customer and broker master are retained only for 6 months for any direct data changes made at the database throughout the year level by the Company.
Instances of non-preservation of the audit trail	The audit trail logs in the accounting software used for maintenance of the customer and broker master are not preserved as per the statutory requirements for record retention for any direct data changes made at the database level. The audit trail logs preserved by the Company for the accounting software used for maintenance of

Nature of exception noted	Details of Exception
	payroll records for the period 1 August 2023 to 31 March 2024 does not include the details of who made the changes i.e., User Id and when the changes were made i.e., timestamp at the application level.

2. As required by the Companies (Auditor's Report) Order, 2020 (the "Order") issued by the Central Government in terms of Section 143(11) of the Act, we give in "Annexure B" a statement on the matters specified in paragraphs 3 and 4 of the Order.

ANNEXURE "A" TO THE INDEPENDENT AUDITOR'S REPORT

(Referred to in paragraph 1(f) under 'Report on Other Legal and Regulatory Requirements' Section of our report to the Members of Forever Buildtech Limited (Formerly known as Forever Buildtech Private Limited)

Report on the Internal Financial Controls Over Financial Reporting under Clause (i) of Sub-Section 3 of Section 143 of the Companies Act, 2013 (the "Act")

We have audited the internal financial controls over financial reporting of **Forever Buildtech Limited (Formerly known as Forever Buildtech Private Limited)** (the "Company") as of March 31, 2026 in conjunction with our audit of the standalone Ind AS financial statements of the Company for the year ended on that date.

Management's Responsibility for Internal Financial Controls

The Management of the Company is responsible for establishing and maintaining internal financial controls based on the internal control over financial reporting criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting issued by the Institute of Chartered Accountants of India (the "ICAI"). These responsibilities include the design, implementation and maintenance of adequate internal financial controls that were operating effectively for ensuring the orderly and efficient conduct of its business, including adherence to company's policies, the safeguarding of its assets, the prevention and detection of frauds and errors, the accuracy and completeness of the accounting records, and the timely preparation of reliable financial information, as required under the Act.

Auditor's Responsibility

Our responsibility is to express an opinion on the Company's internal financial controls over financial reporting of the Company based on our audit. We conducted our audit in accordance with the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting (the "Guidance Note") issued by the ICAI and the Standards on Auditing prescribed under Section 143(10) of the Companies Act, 2013, to the extent applicable to an audit of internal financial controls. Those Standards and the Guidance Note require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether adequate internal financial controls over financial reporting was established and maintained and if such controls operated effectively in all material respects.

Our audit involves performing procedures to obtain audit evidence about the adequacy of the internal financial controls system over financial reporting and their operating effectiveness. Our audit of internal financial controls over financial reporting included obtaining an understanding of internal financial controls over financial reporting, assessing the risk that a material weakness exists, and testing and evaluating the design and operating effectiveness of internal control based on the assessed risk. The procedures selected depend on the auditor's judgement, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error.

We believe that the audit evidence we have obtained, is sufficient and appropriate to provide a basis for our audit opinion on the Company's internal financial controls system over financial reporting.

Meaning of Internal Financial Controls over Financial Reporting

A company's internal financial control over financial reporting is a process designed to provide reasonable assurance regarding the reliability of financial reporting and the preparation of financial statements for external purposes in accordance with generally accepted accounting principles. A company's internal financial control over financial reporting includes those policies and procedures that (1) pertain to the maintenance of records that, in reasonable detail, accurately and fairly reflect the transactions and dispositions of the assets of the company; (2) provide reasonable assurance that transactions are recorded as necessary to permit preparation of financial statements in accordance with generally accepted accounting principles, and that receipts and expenditures of the company are being made only in accordance with authorisations of management and directors of the company; and (3) provide reasonable assurance regarding prevention or timely detection of unauthorised acquisition, use, or disposition of the company's assets that could have a material effect on the financial statements.

Inherent Limitations of Internal Financial Controls over Financial Reporting

Because of the inherent limitations of internal financial controls over financial reporting, including the possibility of collusion or improper management override of controls, material misstatements due to error or fraud may occur and not be detected. Also, projections of any evaluation of the internal financial controls over financial reporting to future periods are subject to the risk that the internal financial control over financial reporting may become inadequate because of changes in conditions, or that the degree of compliance with the policies or procedures may deteriorate.

Opinion

In our opinion, to the best of our information and according to the explanations given to us, the Company has, in all material respects, an adequate internal financial controls system over financial reporting and such internal financial controls over financial reporting were operating effectively as at March 31, 2026, based on the criteria for internal financial control over financial reporting established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting issued by the ICAI.

ANNEXURE 'B' TO THE INDEPENDENT AUDITOR'S REPORT

(Referred to in paragraph 2 under 'Report on Other Legal and Regulatory Requirements' Section of our report to the Members of Forever Buildtech Limited (Formerly known as Forever Buildtech Private Limited))

To the best of our information and according to the explanations provided to us by the Company and the books of account and records examined by us in the normal course of audit, we state that:

- i.
- a. (A). The Company has maintained proper records showing full particulars, including quantitative details and situation of Property, Plant and Equipment.
- (B). The company does not have any intangible assets, hence reporting under clause (i) (a) (B) is not applicable.
- b. All the assets have been physically verified by the management during the year at which, in our opinion, is reasonable having regard to the size of the company and nature of its assets. No material discrepancies were noticed on such verification.
- c. The company is not in possession of any immovable property in the nature of fixed assets hence the provision of para (i) (c) are not applicable.
- d. The Company has not revalued any of its Property, Plant and Equipment (including right of-use assets) and intangible assets during the year.
- e. No proceedings have been initiated during the year or are pending against the Company as at March 31, 2026 for holding any benami property under the Benami Transactions (Prohibition) Act, 1988 (as amended in 2016) and rules made thereunder.
- ii.
- a. The physical verification of inventory has been stated to be conducted at reasonable intervals by the company & no material discrepancies have been stated to be noticed on physical verification of the inventory during the year. The inventory has been taken as qualified, valued and certified by management.
- b. The company has availed non fund-based facilities from Banks and Financial Institutions against Current Assets, however as represented there is no obligation to file monthly/periodical statements of stocks or book debts with the lender.
- iii.
- a) That with regard to the security, guarantee and loan provided:
- A. the company does not have any subsidiaries, Joint venture and associate, and hence, clause (iii)(a)(A) is not applicable.

B. That company has not granted any loans, security and guarantee to any other company during the year, hence, clause (iii)(a)(B) is not applicable.

- b) That with regard to the guarantees provided, and security given, the terms and conditions thereof are, prima facie, not prejudicial to the interest of the Company.
- c) That the company have not provided any loan and hence clause (iii) (c) is not applicable.
- d) That the company have not provided any loan and hence clause (iii)(d) is not applicable.
- e) That the company have not provided any loan and hence clause (iii)(e) is not applicable.
- f) That the company have not provided any loan and hence clause (iii) (f) is not applicable.
- iv. That the loans, guarantees & securities have been granted in compliance with the provision contained in Section 185 of the Companies Act, 2013. Further being engaged in the Business of Construction & Development of Affordable Housing infrastructure facilities, the Provisions of Section 186 of the Companies Act 2013 are not applicable to the company.
- v. The Company has not accepted any deposit or amounts which are deemed to be deposits covered under Sections 73 to 76 of the Companies Act, 2013. The customer advances (if any) refundable are forfeited or refunded or refund under process as per the prescribed provisions and policies as represented to us by the management. Hence, reporting under clause 3(v) of the Order is not applicable.
- vi. As represented to us, the maintenance of cost records has not been specified by the Central Government under sub-section (1) of Section 148 of the Companies Act, 2013 for the business activities carried out by the Company. Hence, reporting under clause (vi) of the Order is not applicable to the Company.
- vii.

In respect of statutory dues:

- (a) The company is regular in depositing with appropriate authorities undisputed statutory dues including Income Tax, Cess and other statutory dues applicable to it. According to the information and explanations given to us, no undisputed amounts payable in respect of provident fund, employees state insurance, income tax, duty of customs, Goods & Services Tax (GST), cess and other statutory dues were in arrears as at 31st March 2026 for a period of more than six months from the date they become.
- (b) According to the information and explanation given to us, the outstanding statutory dues which have not been deposited on account of dispute with the authorities are as under:

Name of the Statute	Nature of Dispute	Amount (Rs.)*	Period to which the amount pertains	Forum where the dispute is pending	Remarks (if any)
Income Tax Act, 1961	Demand against order u/s 143(3) of Income Tax Act relief given by CIT(A)	INR 96,73,340	FY 2019-20	ITAT	Departmental Appeal filed with ITAT is pending for Fixation

* Excluding accrued interest

viii. There were no transactions relating to previously unrecorded income that have been surrendered or disclosed as income during the year in the tax assessments under the Income Tax Act, 1961 (43 of 1961).

ix.

- a) The Company has not taken any loans or other borrowings from any lender. Hence reporting under clause 3(ix)(a) of the Order is not applicable.
- b) That no instance or information has come on our records in context to the Company been declared willful defaulter by any bank or financial institution or government or any government authority.
- c) The Company has not taken any term loan during the year and there are no outstanding term loans at the beginning of the year and hence, reporting under clause 3(ix)(c) of the Order is not applicable.
- d) On an overall examination of the financial statements of the Company, funds raised on short term basis have, prima facie, not been used during the year for long-term purposes by the Company.
- e) The company does not have any subsidiaries, Joint venture or associate, therefore clause (ix) (e) is not applicable.
- f) The company does not have any subsidiaries, Joint venture or associate, therefore clause (ix) (f) is not applicable.

x.

- a) The Company has not raised moneys by way of initial public offer or further public offer (including debt instruments) during the year and hence reporting under clause 3(x)(a) of the Order is not applicable.
- b) According to the information and explanations given to us and on an overall examination of the balance sheet, during the year, the Company has not made preferential allotment of shares during the year under compliance with the provisions of Section 42 of Companies Act 2013.

xi.

- a) No fraud by the Company and no material fraud on the Company has been noticed or reported during the year.
- b) No report under sub-Section (12) of Section 143 of the Companies Act has been filed in Form ADT-4 as prescribed under rule 13 of Companies (Audit and Auditors) Rules, 2014 with the Central Government, during the year and upto the date of this report.
- c) That as represented by the management, there are no whistle blower complaints received by the company during the year.

xii.

The Company is not a Nidhi Company and hence reporting under clause (xii) of the Order is not applicable.

xiii.

In our opinion, the Company is in compliance with Section 177 and 188 of the Companies Act, 2013 with respect to applicable transactions with the related parties, where applicable and the details of related party transactions have been disclosed in the standalone financial statements as required by the applicable accounting standards.

xiv.

- a) The provision of this para is not applicable to the company, therefore clause (xiv) (a) of the order is not applicable.

b) Internal audit under Section 138 read with rule 13 of company act is not applicable to the company therefore clause (xiv) (b) of the order is not applicable.

- xv. Based on our audit procedures performed for the purpose of reporting the true and fair view of the financial statements and according to the information and explanations given by the management, the Company has not entered into non-cash transactions with directors or persons connected with him.
- xvi. In our opinion, the Company is not required to be registered under Section 45-IA of the Reserve Bank of India Act, 1934. Hence, reporting under clause 3(xvi)(a), (b) and (c) of the Order is not applicable.
- xvii. That the company has incurred Cash loss of Rs.211.94 million during the financial year covered by our audit and incurred Cash loss of Rs.257.42 million in the immediately preceding financial year.
- xviii. There has been no resignation of the statutory auditors of the Company during the year.
- xix. On the basis of the financial ratios, ageing and expected dates of realization of financial assets and payment of financial liabilities, other information accompanying the financial statements and our knowledge of the Board of Directors and Management plans and based on our examination of the evidence supporting the assumptions, nothing has come to our attention, which causes us to believe that any material uncertainty exists as on the date of the audit report indicating that Company is not capable of meeting its liabilities existing at the date of balance sheet as and when they fall due within a period of one year from the balance sheet date. We, however, state that this is not an assurance as to the future viability of the Company. We further state that our reporting is based on the facts up to the date of the audit report and we neither give any guarantee nor any assurance that all liabilities falling due within a period of one year from the balance sheet date, will get discharged by the Company as and when they fall due.
- xx. The provision of Section 135 are not applicable on the company. Hence this clause is not applicable on the company.

Summary of material accounting policies and other explanatory information

(All amounts in Rs. millions, unless stated otherwise)

1. (i) Company information

Forever Buildtech Limited (formerly known as Forever Buildtech Private Limited) was incorporated on 6th September, 2012 and is engaged in the business of real estate development and focuses on affordable housing projects. The Company is domiciled in India and the registered office is located at 13th Floor, Dr. Gopal Das Bhawan 28, Barakhamba Road, Connaught Place, New Delhi - 110001.

(ii) Basis of preparation and statement of compliance with Ind AS

The standalone financial statements comply in all material aspects with Indian Accounting Standards (hereinafter referred to as the 'Ind AS') as notified by Ministry of Corporate Affairs under Section 133 of the Companies Act, 2013 ('the Act') read with the Companies (Indian Accounting Standards) Rules, 2015, as amended from time to time and other relevant provisions of the Act.

2. Summary of material accounting policies

The standalone financial statements have been prepared using the significant accounting policies and measurement basis summarised below. These were used throughout all periods presented in the financial statements, except where the Company has applied certain accounting policies and exemptions upon transition to Ind AS.

(a) Historical cost basis

The standalone financial statements have been prepared on historical cost basis except for certain financial assets and financial liabilities which are measured at fair value as explained in relevant accounting policies.

(b) Current versus non-current classification

All assets and liabilities have been classified as current or non-current as per operating cycle and other criteria set-out in the Act. Deferred tax assets and liabilities are classified as non-current assets and non-current liabilities, as the case may be.

(c) Recent accounting pronouncement

Ministry of Corporate Affairs ("MCA") notifies new standards or amendments to the existing standards under the Companies (Indian Accounting Standards) Rules, 2015 as issued from time to time. For the year ended March 31, 2025, MCA has notified Ind AS - 117 Insurance Contracts and amendments to Ind AS 116 - Leases, relating to sale and leaseback transactions, applicable to the Company w.e.f. April 1, 2024. The Company has reviewed the new pronouncements and based on its evaluation has determined that it does not have any significant impact in its financial statements.

(d) Property, plant and equipment ('PPE')

Recognition, measurement and de-recognition

PPE are stated at cost; net of tax or duty credits availed, less accumulated depreciation and impairment losses, if any. Cost includes original cost of acquisition, including incidental expenses related to such acquisition and installation.

Subsequent expenditure related to an item of PPE is added to its book value only if it increases the future benefits from the existing asset beyond its previously assessed standard of performance. All other expenses on existing PPE, including day-to-day repair and maintenance expenditure and cost of replacing parts, are charged to the statement of profit and loss for the period during which such expenses are incurred.

Gains or losses arising from de-recognition of PPE are measured as the difference between the net disposal proceeds and the carrying amount of the asset and are recognized in the statement of profit and loss when the asset is de-recognised.

Summary of material accounting policies and other explanatory information

(All amounts in Rs. millions, unless stated otherwise)

Subsequent measurement (depreciation and useful lives)

Depreciation on PPE is provided on the written down value method, computed on the basis of useful life prescribed in Schedule II to the Act ("Schedule II").

Considering the applicability of Schedule II as mentioned above, in respect of certain class of assets – the Management has assessed the useful lives (as mentioned in the table below) lower than as prescribed in the Schedule II, based on the technical assessment.

Assets category	Useful life estimated by the management based on technical assessment (years)	Useful Life as per Schedule II (years)
Plant and machinery other than Mivon	15 Years	15 Years
Plant and machinery – Mivon	8 Years	
Office equipment	5 Years	5 Years
Computers	3-6 Years	3-6 Years
Furniture and fixture	10 Years	10 Years
Vehicle	8 Years	8 Years

Leasehold improvements are amortized on over the period of lease.

(e) Intangible assets

Intangible assets comprise softwares including accounting software, related licences and implementation cost of accounting software. Intangible assets are stated at cost of acquisition less impairment (if any) and include all attributable costs of bringing intangible assets to its working condition for its indented use. These are amortised over the estimated useful economic life, which are as follows:

Particulars	Life
Computer softwares	2-5 years
Brands/trademarks	4 years

(f) Capital work-in-progress

Property plant and equipment under construction and cost of assets not ready for use before the year-end, are classified as capital work in progress.

(g) Intangible assets under development

Intangible assets under development represent expenditure incurred during development phase in respect of intangible asset under development and are carried at amortized cost. Cost includes computer software's cost and its related acquisition expenses.

(h) Impairment of non-financial assets

At each balance sheet date, the Company assesses whether there is an indication that an asset may be impaired. If any such indication exists, the Company estimates the recoverable amount of the asset. If such recoverable amount of the asset or the recoverable amount of the cash generating unit to which the asset belongs is less than its carrying amount, the carrying amount is reduced to its recoverable amount and the reduction is treated as an impairment loss and is recognised in the statement of profit and loss. If at the balance sheet date there is an indication that a previously assessed impairment loss no longer exists, the recoverable amount is reassessed and the asset is reflected at the recoverable amount subject to a maximum of depreciated historical cost and impairment loss is accordingly reversed in the Statement of Profit and Loss.

Summary of material accounting policies and other explanatory information

(All amounts in Rs. millions, unless stated otherwise)

(i) Leases

Company as a lessee – Right of use assets and lease liabilities

A lease is defined as ‘a contract, or part of a contract, that conveys the right to use an asset (the underlying asset) for a period of time in exchange for consideration’.

Classification of leases

The Company enters into leasing arrangements for various assets. The assessment of the lease is based on several factors, including, but not limited to, transfer of ownership of leased asset at end of lease term, lessee’s option to extend/purchase etc.

Recognition and initial measurement of right of use assets

At lease commencement date, the Company recognises a right-of-use asset and a lease liability in the balance sheet. The right-of-use asset is measured at cost, which is made up of the initial measurement of the lease liability, any initial direct costs incurred by the Company, an estimate of any costs to dismantle and remove the asset at the end of the lease (if any), and any lease payments made in advance of the lease commencement date (net of any incentives received).

Subsequent measurement of right of use assets

The Company depreciates the right-of-use assets on a straight-line basis from the lease commencement date to the earlier of the end of the useful life of the right-of-use asset or the end of the lease term. The Company also assesses the right-of-use asset for impairment when such indicators exist.

Lease liabilities

At lease commencement date, the Company measures the lease liability at the present value of the lease payments unpaid at that date, discounted using the interest rate implicit in the lease if that rate is readily available or the Company’s incremental borrowing rate. Lease payments included in the measurement of the lease liability are made up of fixed payments (including in substance fixed payments) and variable payments based on an index or rate. Subsequent to initial measurement, the liability will be reduced for payments made and increased for interest. It is re-measured to reflect any reassessment or modification, or if there are changes in in-substance fixed payments. When the lease liability is re-measured, the corresponding adjustment is reflected in the right-of-use asset.

The Company has elected to account for short-term leases using the practical expedients. Instead of recognising a right-of-use asset and lease liability, the payments in relation to these short-term leases are recognised as an expense in statement of profit and loss on a straight-line basis over the lease term.

Further, the Company has also elected to apply another practical expedient whereby it has assessed all the rent concessions occurring as a direct consequence of the COVID-19 pandemic, basis the following conditions prescribed under the standard:

- a) the change in lease payments results in revised consideration for the lease that is substantially the same as, or less than, the consideration for the lease immediately preceding the change;
- b) any reduction in lease payments affects only payments originally due on or before the 30 June 2022; and
- c) there is no substantive change to other terms and conditions of the lease.

If all the rent concessions meet the above conditions, then, the related rent concession has been recognised in statement of profit and loss.

Summary of material accounting policies and other explanatory information

(All amounts in Rs. millions, unless stated otherwise)

Company as a lessor

Leases in which the Company does not transfer substantially all the risks and rewards of ownership of an asset are classified as operating leases. The respective leased assets are included in the balance sheet based on their nature. Rental income is recognized on straight-line basis over the lease-term.

(j) Financial instruments

Recognition and initial measurement

Financial assets and financial liabilities are recognised when the Company becomes a party to the contractual provisions of the financial instrument and are measured initially at fair value adjusted for transaction costs, except for those carried at fair value through profit or loss which are measured initially at fair value.

The classification depends on the Company's business model for managing the financial assets and the contractual terms of the cash flows. For assets measured at fair value, gains and losses will either be recorded in the statement of profit and loss or other comprehensive income. For investments in debt instruments, this will depend on the business model in which the investment is held. For investments in equity instruments, this will depend on whether the Company has made an irrevocable election at the time of initial recognition to account for the equity investment at fair value through other comprehensive income ('FVOCI').

Non-derivative financial assets

Subsequent measurement

Financial assets carried at amortised cost – a financial asset is measured at amortised cost if both the following conditions are met:

- The asset is held within a business model whose objective is to hold assets for collecting contractual cash flows; and
- Contractual terms of the asset give rise on specified dates to cash flows that are solely payments of principal and interest (SPPI) on the principal amount outstanding.

After initial measurement, such financial assets are subsequently measured at amortised cost using the effective interest rate (EIR) method.

Investments in other equity instruments – Investments in equity instruments which are held for trading are classified at fair value through profit or loss (FVTPL). For all other equity instruments, the Company makes an irrevocable choice upon initial recognition, on an instrument by instrument basis, to classify the same either as at fair value through other comprehensive income (FVTOCI) or fair value through profit or loss (FVTPL). Amounts presented in other comprehensive income are not subsequently transferred to profit or loss. However, the Company transfers the cumulative gain or loss within equity. Dividends on such investments are recognised in profit or loss unless the dividend clearly represents a recovery of part of the cost of the investment.

Investments in mutual funds – Investments in mutual funds are measured at fair value through profit and loss (FVTPL).

De-recognition of financial assets

A financial asset is de-recognised when the contractual rights to receive cash flows from the asset have expired or the Company has transferred its rights to receive cash flows from the asset.

Summary of material accounting policies and other explanatory information

(All amounts in Rs. millions, unless stated otherwise)

Non-derivative financial liabilities

Subsequent measurement

Subsequent to initial recognition, the measurement of financial liabilities depends on their classification, as described below:

De-recognition of financial liabilities

A financial liability is de-recognised when the obligation under the liability is discharged or cancelled or expires. When an existing financial liability is replaced by another from the same lender on substantially different terms, or the terms of an existing liability are substantially modified, such an exchange or modification is treated as the de-recognition of the original liability and the recognition of a new liability. The difference in the respective carrying amounts is recognised in the statement of profit and loss.

Offsetting of financial instruments

Financial assets and financial liabilities are offset and the net amount is reported in the balance sheet if there is a currently enforceable legal right to offset the recognised amounts and there is an intention to settle on a net basis, to realise the assets and settle the liabilities simultaneously. The legally enforceable right must not be contingent on future events and must be enforceable in the normal course of business and in the event of default, insolvency or bankruptcy of the Company or the counterparty.

(k) Impairment of financial assets

The Company assesses on a forward-looking basis the expected credit losses associated with its financial assets and the impairment methodology depends on whether there has been a significant increase in credit risk.

Trade receivables

In respect of trade receivables, the Company applies the simplified approach of Ind AS 109, which requires measurement of loss allowance at an amount equal to lifetime expected credit losses. Lifetime expected credit losses are the expected credit losses that result from all possible default events over the expected life of a financial instrument.

Other financial assets

In respect of its other financial assets, the Company assesses if the credit risk on those financial assets has increased significantly since initial recognition. If the credit risk has not increased significantly since initial recognition, the Company measures the loss allowance at an amount equal to 12-month expected credit losses, else at an amount equal to the lifetime expected credit losses.

When making this assessment, the Company uses the change in the risk of a default occurring over the expected life of the financial asset. To make that assessment, the Company compares the risk of a default occurring on the financial asset as at the balance sheet date with the risk of a default occurring on the financial asset as at the date of initial recognition and considers reasonable and supportable information, that is available without undue cost or effort, that is indicative of significant increases in credit risk since initial recognition. The Company assumes that the credit risk on a financial asset has not increased significantly since initial recognition if the financial asset is determined to have low credit risk at the balance sheet date.

(l) Inventories

Inventories comprises of following: -

- i. Projects in progress includes cost of land/development cost of land, internal development costs, external development charges, construction costs, development/construction materials, overheads, borrowing costs and other directly attributable expenses and is valued at cost or net realisable value (whichever is lower).

Summary of material accounting policies and other explanatory information

(All amounts in Rs. millions, unless stated otherwise)

- ii. Stock at site valued at cost or NRV, whichever is lower. Cost is determined on the basis of FIFO method. Cost includes purchase cost and expenses to bring it to current locations.
- iii. Traded goods are valued at lower of cost or NRV. Cost includes cost of purchase and other costs incurred in bringing the inventories to their present location and condition. Cost is determined on a weighted average basis.
- iv. Land received under collaboration arrangements is measured at the fair value of the estimated revenue share to be transferred to the land owner and the same is accounted on launch of the project. The amount of non-refundable deposit paid by the Company under the collaboration agreement is recognised as deposit under other assets and on the launch of the project, the non-refundable amount is transferred as land cost to work-in-progress. Further, the amount of refundable deposit paid by the Company under the collaboration agreement is recognized as deposits under other financial assets.

Net realisable value is the estimated selling price in the ordinary course of business, less estimated costs of completion and estimated costs necessary to make the sale.

(m) Borrowing costs

Borrowing costs directly attributable to the acquisition and/or construction/production of an asset that necessarily takes a substantial period of time to get ready for its intended use or sale are capitalised as part of the cost of the asset. All other borrowing costs are charged to the statement of profit and loss as incurred. Borrowing costs consist of interest and other costs that the Company incurs in connection with the borrowing of funds. Borrowing cost also includes exchange differences to the extent regarded as an adjustment to the borrowing costs.

(n) Revenue recognition

Revenue from contracts with customers is recognised when control of the goods or services are transferred to the customer at an amount that reflects the consideration which the Company expects to be entitled in exchange for those goods or services. The Company has generally concluded that it is the principal in its revenue arrangements because it typically controls the goods and services before transferring them to the customers.

Revenue from sale of properties and developed plots

Revenue from sale of properties is recognized when the performance obligations are essentially complete and credit risks have been significantly eliminated. The performance obligations are considered to be complete when control over the property has been transferred to the buyer i.e. offer for possession (possession request letter) of properties have been issued to the customers and substantial sales consideration is received from the customers.

The Company considers the terms of the contract and its customary business practices to determine the transaction price. The transaction price is the amount of consideration which the Company expects to be entitled in exchange for transferring property to a customer, excluding amounts collected on behalf of third parties (for example, indirect taxes). The consideration promised in a contract with a customer may include fixed consideration, variable consideration (if reversal is less likely in future), or both.

For each performance obligation identified, the Company determines at contract inception whether it satisfies the performance obligation over time or satisfies the performance obligation at a point in time. If an entity does not satisfy a performance obligation over time, the performance obligation is satisfied at a point in time. A receivable is recognised by the Company when the control is transferred as this is the case of point in time recognition where consideration is unconditional because only the passage of time is required.

When either party to a contract has performed, an entity shall present the contract in the balance sheet as a contract asset or a contract liability, depending on the relationship between the entity's performance and the customer's payment.

Summary of material accounting policies and other explanatory information

(All amounts in Rs. millions, unless stated otherwise)

The costs estimates are reviewed periodically and effect of any change in such estimate is recognized in the period in which such changes are determined. However, when the total estimated cost exceeds total expected revenues from the contracts, the loss is recognized immediately.

Construction projects

Construction projects where the Company is acting as contractor, revenue is recognised in accordance with the terms of the construction agreements. Under such contracts, assets created does not have an alternative use and the Company has an enforceable right to payment. The estimated project cost includes construction cost, development and construction material and overheads of such project.

The Company uses cost based input method for measuring progress for performance obligation satisfied over time. Under this method, the Company recognises revenue in proportion to the actual project cost incurred as against the total estimated project cost. The management reviews and revises its measure of progress periodically and are considered as change in estimates and accordingly, the effect of such changes in estimates is recognised prospectively in the period in which such changes are determined. However, when the total project cost is estimated to exceed total revenues from the project, the loss is recognized immediately. As the outcome of the contracts cannot be measured reliably during the early stages of the project, contract revenue is recognised only to the extent of costs incurred in the statement of profit and loss.

Sale of traded goods

Revenue from sale of goods is recognized when the control of goods is transferred to the buyer as per the terms of the contract, in an amount that reflects the consideration the Company expects to be entitled to in exchange for those goods. Control of goods refers to the ability to direct the use of and obtain substantially all of the remaining benefits from goods. The Company collects goods and services tax (GST) on behalf of the government and, therefore, they are excluded from revenue.

Royalty income and business support service income

Such income is recognized on an accrual basis in accordance with the terms of the relevant agreements.

Scrap sale

Scrap sales are recognised when control of scrap goods are transferred i.e. on dispatch of goods and are accounted for net of returns and rebates.

Interest on bank deposits

Interest income is recorded on accrual basis using the effective interest rate (EIR) method.

Dividend income

Dividend income is recognized when the Company's right to receive dividend is established by the reporting date.

Commission income

Commission income is recognized on accrual basis in accordance with the terms of the agreement.

(o) Cost of sales in respect of properties and developed plots

Cost of constructed properties includes cost of land (including development rights), estimated internal development costs, external development charges, other related government charges, borrowing costs, overheads construction costs and development/construction materials, which is charged to the Statement of Profit and Loss proportionate to the revenue recognised as per accounting policy on revenue from sale of properties and developed plots.

Summary of material accounting policies and other explanatory information

(All amounts in Rs. millions, unless stated otherwise)

(p) Foreign currency transaction and balances

Functional and presentation currency

The standalone financial statements are presented in Indian Rupee (in millions) which is also the functional and presentation currency of the Holding Company.

Transactions and balances

Foreign currency transactions are recorded in the functional currency, by applying the exchange rate between the functional currency and the foreign currency at the date of the transaction. Foreign currency monetary items outstanding at the balance sheet date are converted to functional currency using the closing rate. Non-monetary items denominated in a foreign currency which are carried at historical cost are reported using the exchange rate at the date of the transactions.

Exchange differences arising on settlement of monetary items, or restatement as at reporting date, at rates different from those at which they were initially recorded, are recognized in the statement of profit and loss in the year in which they arise.

(q) Retirement and other employee benefits

i) Provident fund

The Company makes contributions to statutory provident fund in accordance with the Employee's Provident Funds and Miscellaneous Provisions Act, 1952, which is a defined contribution plan. The Company's contributions paid/payable under the scheme is recognised as an expense in the Statement of Profit and Loss during the period in which the employee renders the related service.

ii) Gratuity

Gratuity is a post-employment benefit and is in the nature of a defined benefit plan. The liability recognised in the balance sheet in respect of gratuity is the present value of the defined benefit obligation at the balance sheet date, together with adjustments for unrecognised actuarial gains or losses and past service costs. The defined benefit obligation is determined by actuarial valuation as on the balance sheet date, using the projected unit credit method.

Actuarial gains/losses resulting from re-measurements of the liability are included in other comprehensive income in the period in which they occur and are not reclassified to profit or loss in subsequent periods.

iii) Compensated absences

Liability in respect of compensated absences becoming due or expected to be availed within one year from the balance sheet date is recognised on the basis of undiscounted value of estimated amount required to be paid or estimated value of benefit expected to be availed by the employees. Liability in respect of compensated absences becoming due or expected to be availed more than one year after the balance sheet date is estimated on the basis of an actuarial valuation performed by an independent actuary using the projected unit credit method. Actuarial gains and losses arising from past experience and changes in actuarial assumptions are credited or charged to the statement of profit and loss in the year in which such gains or losses are determined.

iv) Other short-term benefits

Expense in respect of other short-term benefits is recognised on the basis of the amount paid or payable for the period during which services are rendered by the employee.

(r) Earnings per share

Basic earnings per share is calculated by dividing the net profit or loss for the period attributable to equity shareholders by the weighted average number of equity shares outstanding during the year. The weighted average number of equity shares outstanding during the year is adjusted for events of bonus issue, share split and any new equity issue. For the purpose of calculating diluted earnings per share, the net profit or loss for the period

Summary of material accounting policies and other explanatory information

(All amounts in Rs. millions, unless stated otherwise)

attributable to equity shareholders and the weighted average number of shares outstanding during the period are adjusted for the effects of all dilutive potential equity shares.

(s) Provisions, contingent assets and contingent liabilities

Provisions are recognized only when there is a present obligation (legal or constructive), as a result of past events, and it is probable that an outflow of resources embodying economic benefits will be required to settle the obligation and when a reliable estimate of the amount of obligation can be made at the reporting date. Provisions are discounted to their present values, where the time value of money is material, using a current pre-tax rate that reflects, when appropriate, the risks specific to the liability. When discounting is used, the increase in the provision due to the passage of time is recognised as a finance cost.

When the Company expects some or all of the provisions to be reimbursed, the reimbursement is recognised as a separate asset, but only when the reimbursement is virtually certain. The expense relating to a provision is presented in the statement of profit and loss net of any reimbursement.

Contingent liability is disclosed for:

- Possible obligations which will be confirmed only by future events not wholly within the control of the Company; or
- Present obligations arising from past events where it is not probable that an outflow of resources will be required to settle the obligation or a reliable estimate of the amount of the obligation cannot be made.

Contingent assets are neither recognised nor disclosed except when realisation of income is virtually certain, related asset is disclosed.

(t) Cash and cash equivalents

Cash and cash equivalents for the purposes of cash flow statements comprise cash at bank and in hand and short-term bank deposits with an original maturity of three months or less. For cash flow statement purposes, cash and cash equivalents includes bank overdrafts that are repayable on demand and form an integral part of the Company's cash management.

(u) Income taxes

Tax expense comprises current and deferred tax. Current and deferred tax is recognised in statement of profit and loss except to the extent that it relates to items recognised directly in equity or other comprehensive income.

The current income-tax charge is calculated on the basis of the tax laws enacted at the balance sheet date. Management periodically evaluates positions taken in tax returns with respect to situations in which applicable tax regulation is subject to interpretation. It establishes provisions where appropriate on the basis of amounts expected to be paid to the tax authorities.

Deferred tax is provided in full, on temporary differences arising between the tax base of assets and liabilities and their carrying amounts in the standalone financial statements. Deferred tax is determined using tax rates (and laws) that have been enacted or substantially enacted by the end of the reporting period and are expected to apply when the related deferred tax asset is realised or the deferred tax liability is settled. Deferred tax assets are recognised for all deductible temporary differences and unused tax losses only if it is probable that future taxable amounts will be available to utilise those temporary differences and losses.

Current tax assets and tax liabilities are offset where the entity has a legally enforceable right to offset and intends either to settle on a net basis, or to realise the asset and settle the liability simultaneously. Deferred tax assets and liabilities are offset when there is a legally enforceable right to offset current tax assets and liabilities and when the deferred tax balances relate to the same taxation authority.

Summary of material accounting policies and other explanatory information

(All amounts in Rs. millions, unless stated otherwise)

Minimum Alternate Tax (MAT) paid in a year is charged to the statement of profit and loss as current tax for the year. The deferred tax asset is recognised for MAT credit available only to the extent that it is probable that the respective entity will pay normal income tax during the specified period, i.e., the period for which MAT credit is allowed to be carried forward. In the year in which the entity recognizes MAT credit as an asset, it is created by way of credit to the statement of profit and loss and shown as part of deferred tax asset. The Company reviews the "MAT credit entitlement" asset at each reporting date and writes down the asset to the extent that it is no longer probable that it will pay normal tax during the specified period.

(v) Critical estimates and judgements

The preparation of the Company's financial statements requires management to make judgements, estimates and assumptions that affect the reported amounts of revenues, expenses, assets and liabilities, and the accompanying disclosures, and the disclosure of contingent liabilities. Uncertainty about these judgements, assumptions and estimates could result in outcomes that require a material adjustment to the carrying amount of assets or liabilities affected in future periods.

Impairment of non-financial assets

The evaluation of applicability of indicators of impairment of assets requires assessment of several external and internal factors which could result in deterioration of recoverable amount of the assets.

Impairment of financial assets

The Company estimates the recoverable amount of trade receivables and other financial assets where collection of the full amount is expected to be no longer probable. For individually significant amounts, this estimation is performed on an individual basis considering the length of time past due, financial condition of the counter-party, impending legal disputes, if any and other relevant factors.

Recognition of deferred tax assets

The extent to which deferred tax assets can be recognized is based on an assessment of the probability of the Company's future taxable income against which the deferred tax assets can be utilized.

Provisions

At each balance sheet date basis the management judgement, changes in facts and legal aspects, the Company assesses the requirement of provisions against the outstanding contingent liabilities. However, the actual future outcome may be different from this judgement.

Contingencies

In the normal course of business, contingent liabilities may arise from litigation, taxation and other claims against the Company. A tax provision is recognised when the Company has a present obligation as a result of a past event; it is probable that the Company will be required to settle that obligation. Where it is management's assessment that the outcome cannot be reliably quantified or is uncertain the claims are disclosed as contingent liabilities unless the likelihood of an adverse outcome is remote. Such liabilities are disclosed in the notes but are not provided for in the financial statements. When considering the classification of a legal or tax cases as probable, possible or remote there is judgement involved. This pertains to the application of the legislation, which in certain cases is based upon management's interpretation of country specific tax law, in particular India, and the likelihood of settlement. Management uses in-house and external legal professionals to inform their decision. Although there can be no assurance regarding the final outcome of the legal proceedings, the Company does not expect them to have a materially adverse impact on the Company's financial position or profitability.

Leases

The Company evaluates if an arrangement qualifies to be a lease as per the requirements of Ind AS 116. Identification of a lease requires significant judgement. The Company uses significant judgement in assessing the lease term (including anticipated renewals) and the applicable discount rate. The Company determines the lease term as the non-cancellable period of a lease, together with both periods covered by an option to extend the lease

Summary of material accounting policies and other explanatory information

(All amounts in Rs. millions, unless stated otherwise)

if the Company is reasonably certain to exercise that option; and periods covered by an option to terminate the lease if the Company is reasonably certain not to exercise that option. In assessing whether the Company is reasonably certain to exercise an option to extend a lease, or not to exercise an option to terminate a lease, it considers all relevant facts and circumstances that create an economic incentive for the Company to exercise the option to extend the lease, or not to exercise the option to terminate the lease. The Company revises the lease term if there is a change in the non-cancellable period of a lease.

Revenue and inventories

The estimates around total budgeted cost i.e., outcomes of underlying construction and service contracts, which further require estimates to be made for changes in work scopes, claims (compensation, rebates, etc.), the cost of meeting other contractual obligations to the customers and other payments to the extent they are probable, and they are capable of being reliably measured. For the purpose of making these estimates, the Company used the available contractual and historical information and also its expectations of future costs. The estimates of the saleable area are also reviewed periodically and effect of any changes in such estimates is recognised in the period such changes are determined.

Accounting for revenue and land cost for projects executed through joint development arrangements

For projects executed through joint development arrangements, the Group has evaluated that land owners are engaged in the same line of business as the Group.

The revenue from the development and transfer of constructed area/revenue sharing arrangement and the corresponding land/ development rights received under joint development arrangement is measured at the fair value of the estimated consideration payable to the land owner and the same is accounted on launch of the project. The fair value is estimated with reference to the terms of the joint development arrangement. Such assessment is carried out at the launch of the real estate project and is reassessed at each reporting period. The management is of the view that the fair value method and estimates are reflective of the current market condition.

Useful lives of depreciable/amortisable assets

Management reviews its estimate of the useful lives of depreciable/amortisable assets at each reporting date, based on the expected utility of the assets. Uncertainties in these estimates relate to technical and economic obsolescence that may change the utilisation of assets.

Fair value measurement

Management applies valuation techniques to determine the fair value of financial instruments (where active market quotes are not available). This involves developing estimates and assumptions consistent with how market participants would price the instrument.

Defined benefit obligation (DBO)

Management's estimate of the DBO is based on a number of underlying assumptions such as standard rates of inflation, mortality, discount rate and anticipation of future salary increases. Variation in these assumptions may significantly impact the DBO amount and the annual defined benefit expenses.

32 Financial instruments

i) Financial assets and liabilities

The carrying amounts of financial instruments by category are as follows:

Particulars	As at 31 March 2026	As at 31 March 2025
	Amortised cost	Amortised cost
Financial assets*		
Investments	0.00	0.00
Trade receivables	19.36	18.74
Cash and cash equivalents	54.69	111.03
Other bank balances	5.86	5.82
Other financial assets	15.28	10.72
Total financial assets	95.19	146.31
Financial liabilities*		
Borrowings	573.90	3.34
Trade payables	639.97	598.72
Other financial liabilities	79.11	48.68
Total financial liabilities	1,292.98	650.74

* There are no financial assets and liabilities which are measured at fair value through profit or loss or fair value through other comprehensive income.

ii) Fair value hierarchy

Financial assets and financial liabilities are measured at fair value in the financial statements and are grouped into three levels of a fair value hierarchy. The three levels are defined based on the observability of significant inputs to the measurement, as follows:

Level 1: Quoted prices (unadjusted) in active markets for financial instruments.

Level 2: Directly (i.e. as prices) or indirectly (i.e. derived from prices) observable market inputs, other than Level 1 inputs; and

Level 3: Inputs which are not based on observable market data (unobservable inputs). The input factors considered are estimated cash flows and other assumptions.

Fair value of instruments measured at amortised cost

Fair value of instruments measured at amortised cost for which fair value is disclosed is as follows, these fair values are calculated using Level 3 inputs:

Particulars	As at 31 March 2026		As at 31 March 2025	
	Carrying value	Fair value*	Carrying value	Fair value*
Financial assets				
Investments	0.00	0.00	0.00	0.00
Trade receivables	19.36	19.36	18.74	18.74
Cash and cash equivalents	54.69	54.69	111.03	111.03
Other bank balances	5.86	5.86	5.82	5.82
Other financial assets	15.28	15.28	10.72	10.72
Total financial assets	95.19	95.19	146.31	146.31
Financial liabilities				
Borrowings	573.90	573.90	3.34	3.34
Trade payables	639.97	639.97	598.72	598.72
Other financial liabilities	79.11	79.11	48.68	48.68
Total financial liabilities	1,292.98	1,292.98	650.74	650.74

* Carrying value of these financial assets and financial liabilities represents the best estimated values.

Financial risk management

The Company's activities expose it to credit risk, liquidity risk and market risk. The Company's board of directors has overall responsibility for the establishment and oversight of the Company's risk management framework. This note explains the sources of risk which the entity is exposed to and how the entity manages the risk and the related impact in the financial statements.

Risk	Exposure arising from	Measurement	Management
Credit risk	Cash and cash equivalents, loans and other financial assets measured at amortised cost	Ageing analysis	Diversification of bank deposits and regular monitoring
Liquidity risk	Borrowings, lease liabilities and other financial liabilities	Cash flow forecasts	Availability of funds and credit facilities.
Market risk - interest rate	Variable rates borrowings	Sensitivity analysis	Negotiation of terms that reflect the market factors

A) Credit risk

Credit risk is the risk of financial loss to the Company if a customer or counterparty to a financial asset fails to meet its contractual obligations. The Company's exposure to credit risk is influenced mainly by the individual characteristics of each financial asset. The carrying amounts of financial assets represent the maximum credit risk exposure. The Company monitors its exposure to credit risk on an ongoing basis.

Summary of material accounting policies and other explanatory information for the year ended 31 March 2026

(All amounts are in million of ₹, unless otherwise specified)

a) Credit risk management

i) Credit risk rating

The Company assesses and manages credit risk of financial assets based on following categories arrived on the basis of assumptions, inputs and factors specific to the class of financial assets. The Company assigns the following credit ratings to each class of financial assets based on the assumptions, inputs and factors specific to the class of financial assets.

- A: Low credit risk
B: Moderate credit risk
C: High credit risk

The Company provides for expected credit loss based on the following:

Asset groups	Basis of categorisation	Provision for expected credit loss
Low credit risk	Cash and cash equivalents, loans, and other financial assets	12 months expected credit loss

Assets are written off when there is no reasonable expectation of recovery, such as a debtor declaring bankruptcy or a litigation decided against the Company. The Company continues to engage with parties whose balances are written off and attempts to enforce repayment. Recoveries made are recognised in statement of profit and loss.

Credit rating	Particulars	As at 31 March 2026	As at 31 March 2025
Low credit risk	Cash and cash equivalents, loans and other financial assets	95.19	146.31

Cash and cash equivalents and other bank balances

Credit risk related to cash and cash equivalents and bank deposits is managed by only diversifying bank deposits and accounts in different banks. Credit risk is considered low because the Company deals with reputed banks.

Loans and other financial assets

Loans and other financial assets measured at amortized cost includes security deposits and other receivables. Credit risk related to these financial assets is managed by monitoring the recoverability of such amounts continuously. Credit risk is considered low because the Company is in possession of the underlying asset. Further, the Company creates provision by assessing individual financial asset for expectation of any credit loss basis expected credit loss model.

ii) Concentration of financial assets

The Company carries on the business as a real estate developer. Loans and other financial assets majordy represents loans to related parties and deposits given for business purposes.

b) Credit risk exposure

i) Provision for expected credit losses

The Company provides for 12 months expected credit losses for following financial assets:

As at 31 March 2026

Particulars	Estimated gross	Expected credit	Carrying amount net of impairment provision
Cash and cash equivalents	54.69	-	54.69
Other bank balances	5.86	-	5.86
Trade receivables	19.36	-	19.36
Other financial assets	15.28	-	15.28

As at 31 March 2025

Particulars	Estimated gross	Expected credit	Carrying amount net of impairment provision
Cash and cash equivalents	111.03	-	111.03
Other bank balances	5.82	-	5.82
Trade receivables	18.74	-	18.74
Other financial assets	10.72	-	10.72

B) Liquidity risk

Liquidity risk is the risk that the Company will encounter difficulty in meeting the obligations associated with its financial liabilities that are settled by delivering cash or another financial asset. The Company's approach to managing liquidity is to ensure as far as possible, that it will have sufficient liquidity to meet its liabilities when they are due.

Maturities of financial liabilities

The tables below analyse the Company's financial liabilities into relevant maturity groupings based on their contractual maturities.

As at 31 March 2026	Less than 1 year	1 - 2 years	2 - 3 years	More than 3 years	Total
Non-derivatives					
Borrowings	573.90	-	-	-	573.90
Trade payable	639.97	-	-	-	639.97
Other financial liabilities	79.11	-	-	-	79.11
Total	1,292.98	-	-	-	1,292.98

As at 31 March 2025	Less than 1 year	1 - 2 years	2 - 3 years	More than 3 years	Total
Non-derivatives					
Borrowings	3.34	-	-	-	3.34
Trade payable	598.72	-	-	-	598.72
Other financial liabilities	48.68	-	-	-	48.68
Total	650.74	-	-	-	650.74

*That trade payable includes, retention withheld, deferred scheduled payments, unbilled construction provisions etc whose maturity shall fall over project life cycle and hence not classifiable as above

Summary of material accounting policies and other explanatory information for the year ended 31 March 2026

(All amounts are in millions(₹), unless otherwise specified)

C) Market risk

Interest rate risk

i) Liabilities

Interest rate risk is the risk that the fair value or future cash flows of a financial instrument will fluctuate because of changes in market interest rates. The Company's exposure to the risk of changes in market interest rates relates primarily to the Company's debt obligations with floating interest rates. The Company manages its interest rates by selection of appropriate type of borrowings and by negotiation with the bankers.

Interest rate risk exposure

Particulars	As at 31 March 2026	As at 31 March 2025
Variable rate borrowings	573.90	3.34
Fixed rate borrowings	-	-
Total borrowings	573.90	3.34

Sensitivity

Profit or loss and equity is not sensitive to higher/ lower interest expense from borrowings (to the extent capitalised to inventory) as a result of changes in interest rates on year to year basis. Since Under Ind As 115, Company recognised revenue on completion basis, interest cost (against specified project) shall impact Profit/loss in accordance with revenue policy. Following shall be the impact of variation in interest rate:

Particulars	As at 31 March 2026	As at 31 March 2025
Increase in borrowing rate by 1%	5.74	0.03
Decrease in borrowing rate by 1%	(5.74)	(0.03)

ii) Assets

The Company's fixed deposits are carried at amortised cost and are fixed rate deposits. They are therefore not subject to interest rate risk as defined in Ind AS 107, since neither the carrying amount nor the future cash flows will fluctuate because of a change in market interest rates.

34 Capital management

The Company's capital includes issued share capital and all other distributable reserves. The primary objective of the Company's capital management is to maximise shareholder value and to maintain an optimal capital structure to reduce the cost of capital. The Company has short term borrowings.

Company's Debt equity ratio is:

Particulars	As at 31 March 2026	As at 31 March 2025
Debt*	556.68	(107.69)
Equity	120.00	120.00
Debt to equity ratio	4.64	-

* Debt includes short term borrowings + interest accrued - cash and cash equivalents

35 Employee benefits

The Company has adopted Indian Accounting Standard (Ind AS) - 19 on employee benefit as under :

Defined contribution plans	For the year ended 31 March 2026	For the year ended 31 March 2025
The company makes contribution towards employee's provident fund and employee's state insurance. The company has recognised following as contribution towards these schemes.	1.01	0.22

Defined benefit plans

Gratuity

The Company has a defined benefit gratuity plan. Every employee is entitled to gratuity as per the provisions of the Payment of Gratuity Act, 1972. The liability of Gratuity is recognized on the basis of actuarial valuation.

Salary increases	Actual salary increases will increase the plan's liability. Increase in salary increase rate assumption in future valuations will also increase the liability.
Discount rate	Reduction in discount rate in subsequent valuations can increase the plan's liability.
Mortality & disability	Actual deaths and disability cases proving lower or higher than assumed in the valuation can impact the liabilities.
Withdrawals	Actual withdrawals proving higher or lower than assumed withdrawals and change of withdrawal rates at subsequent valuations can impact plan's liability.

Amounts recognised in the balance sheet:

Particulars	As at 31 March 2026	As at 31 March 2025
Present value of the obligation	3.37	2.64
Current liability (amount due within one year)	0.11	0.12
Non-current liability (amount due over one year)	3.26	2.52

Loss recognised in other comprehensive income:

Particulars	For the year ended 31 March 2026	For the year ended 31 March 2025
Actuarial loss recognised during the year	(0.34)	0.70

Expenses recognised in statement of profit and loss

Particulars	For the year ended 31 March 2026	For the year ended 31 March 2025
Current service cost	1.37	0.46
Interest cost	0.18	0.10
Cost recognised during the year	1.55	0.56

Movement in the liability recognised in the balance sheet is as under:

Particulars	31 March 2026	31 March 2025
Present value of defined benefit obligation at the beginning of the year	2.64	1.38
Current service cost	1.37	0.46
Interest cost	0.18	0.10
Actuarial (gain)/loss net	-	-
Actuarial loss on arising from change in demographic assumption	-	-
Actuarial loss on arising from change in financial assumption	(0.15)	0.17
Actuarial loss on arising from experience adjustment	(0.19)	0.53
Benefits paid	(0.48)	-
Present value of defined benefit obligation at the end of the year	3.37	2.64

Forever Buildtech Limited
(Formerly known as Forever Buildtech Private Limited)
Corporate Identification Number-U70109DL2012PLC241744

Summary of material accounting policies and other explanatory information for the year ended 31 March 2026

(All amounts are in millions(₹), unless otherwise specified)

For determination of the liability of the Company the following actuarial assumptions were used:

Particulars	31 March 2026	31 March 2025
Discount rate	7.00% ^a	6.65% ^a
Salary escalation rate	12.00% ^a	12.00% ^a
Retirement age (Years)	60 Years	60 Years
Withdrawal rate		
Less than 30 years	15.00% ^a to 11.85% ^a	15.00% ^a to 11.85% ^a
From 31 to 44 years	11.50% ^a to 6.95% ^a	11.50% ^a to 6.95% ^a
44 years and above	6.60% ^a to 1.00% ^a	6.60% ^a to 1.00% ^a
Weighted average duration of PBO	13 Years	14 Years

Mortality rates inclusive of provision for disability -100%^a of LALM (2012 – 14)

Maturity profile of defined benefit obligation:

Particulars	31 March 2026	31 March 2025
1 year	0.11	0.12
2 to 5 years	1.01	0.56
6 to 10 years	1.01	0.74
10 years onwards	7.39	6.09

Sensitivity analysis for gratuity liability:

Particulars	31 March 2026	31 March 2025
a) Impact of the change in discount rate		
Present value of obligation at the end of the year		
Impact due to increase of 1 % ^a	2.99	2.33
Impact due to decrease of 1 % ^a	3.82	3.03
b) Impact of the change in salary increase		
Present value of obligation at the end of the year		
Impact due to increase of 1 % ^a	3.63	2.88
Impact due to decrease of 1 % ^a	3.11	2.42

Sensitivities due to mortality and withdrawals are not material. Hence impact of change is not calculated

Sensitivities as to rate of inflation, rate of increase of pensions in payment, rate of increase of pensions before retirement and life expectancy are not applicable being a lump sum benefit on retirement

Compensated absences (unfunded)

The leave obligations cover the Company's liability for sick and earned leaves. The Company does not have an unconditional right to defer settlement for the obligation shown as current provision balance above. However based on past experience, the Company does not expect all employees to take the full amount of accrued leave or require payment within the next 12 months, therefore based on the independent actuarial report, only a certain amount of provision has been presented as current and remaining as non-current.

For the year ended

31 March 2025

(a) Contingent Liabilities

Disputed demands of customers excluding amounts not ascertainable

Disputed taxation matter (outstanding demand)#

-	-
9.67	12.41
9.67	12.41

(b) Commitments

Estimated amount of contracts remaining to be executed on capital account and not provided for

-	-
---	---

*Further, the company has certain litigations involving customers and some vendors. The management carried out an estimation of the financial impact of such litigations and the management believes that no material liability will devolve on the company in respect of such litigations. As represented, there is no amount refundable/ payable over & above the amount accrued in the books.

#Company had received Income Tax demand for AY 2013-14 & AY 2015-16 under block assessment in previous years and Appeal had been filed in FY 2023-24 in CIT(A). In current year, Appeal was allowed in CIT(A) in favor of company vide order dated 17.07.2025.

The Company previously received a demand notice for Assessment Year 2020-21, against which an appeal was preferred before the Commissioner of Income Tax (Appeals) (CIT(A)) on 23rd October 2023. During the current financial year, the CIT(A) ruled in favor of the Company. The Income Tax Department has since filed a counter-appeal before the Income Tax Appellate Tribunal (ITAT) on 10.04.2026, which is currently pending disposal. Based on legal advice, management believes the Company has a strong merits-based case and expects a favorable outcome

40 Financial Ratios

Ratio	Measurement Unit	Numerator	Denominator	As at 31 March 2026	As at 31 March 2025	% Change March 2026	% Change March 2025
Current ratio	Times	Current assets	Current liabilities	0.94	0.98	-3.19%	-20.35%
Debt equity ratio	Times	Total debt (Non-current borrowings + Current borrowings)	Total equity	(5.86)	0.10	-6123.17%	-49.42%
Debt service coverage ratio	Times	Earnings before depreciation and amortisation and interest (Profit & loss after tax + depreciation & amortisation expense+ finance costs (excluding interest on lease liabilities))	Interest expenses (including capitalised)+ principal repayments (including prepayments)	(147.44)	(0.41)	35796.91%	-102.86%
Return on equity ratio	%	Profit after tax	Average of total equity	-803.93%	-293.65%	173.77%	-2681.68%
Inventory turnover ratio	Times	Cost of material consumed	Average inventories	N.A	N.A	N.A	N.A
Trade receivables turnover ratio	Times	Revenue from operations	Average trade receivables	N.A	N.A	N.A	N.A
Trade payables turnover ratio	Times	Purchase + other expenses	Average trade payables	1.49	7.47	-80.07%	272.75%
Net capital turnover ratio	Times	Revenue from operations	Working capital (Current assets- current liabilities)	(0.79)	(2.83)	-72.22%	-602.47%
Net profit ratio	%	Profit after tax	Revenue from operations	-63.43%	-53.34%	18.92%	-246.84%
Return on capital employed	%	Earnings before depreciation and amortisation and interest (Profit & loss before tax + depreciation & amortisation expense+ Finance costs)	Capital employed (total equity + borrowing - intangible assets- deferred tax assets)	-80.56%	-386.52%	-79.16%	-3473.56%
Return on Investment	%	EBIT (Earning before interest & tax)	Total investment	-5820.27%	-6198.89%	-6.11%	-177.06%

Reasons for Changes in ratio above 25% :

ratio	Reason
Current ratio	Not applicable
Debt equity ratio	During the year, company has taken additional unsecured loan from holding company for project activities.
Debt service coverage ratio	During the year, new loan taken.
Return on equity ratio	During the year, profit decrease due to recognised revenue under CCM Method in accordance with Ind As 115 for lower number of units and increased advertisement and business promotion expenses for newly launched project "Twin Tower DXP"
Inventory turnover ratio	Since the real estate company, ratio not applicable
Trade receivables turnover ratio	Since the real estate company, ratio not applicable
Trade payables turnover ratio	During the previous year, collaboration cost booked & provision created on new project "Twin Tower DXP" and no such cost in current year
Net capital turnover ratio	During the year, revenue decrease in comparative to previous year
Net profit ratio	Not applicable
Return on capital employed	During the year, loss decrease in comparative to previous year
Return on investment	During the year, loss decrease in comparative to previous year

41 The Ministry of Corporate Affairs (MCA) has prescribed requirement for companies under the proviso to Rule 3(1) of the Companies (Accounts) Rules, 2014 inserted by the Companies (Accounts) Amendment Rules 2021 requiring companies, which uses accounting software for maintaining its books of account, shall use only such accounting software which has a feature of recording audit trail of each and every transaction, creating an edit log of each change made in the books of account along with the date when such changes were made and ensuring that the audit trail cannot be disabled.

The accounting software used for maintaining accounting records of the Company has a feature of recording audit trail (edit log) facility and the same has been enabled and operated throughout the year for all relevant transactions recorded in the software at the application level. The 'Independent Service Auditor's Assurance Report on the Description of Controls, their Design and Operating Effectiveness' ('Type 2 report' issued in accordance with ISAE 3402, Assurance Reports on Controls at a Service Organization') was available for part of the year. This report does not provide information on audit trail (edit logs) for any direct changes made at the database level.

Further, the accounting software used for maintaining accounting records of the customer and channel partner master has a feature of recording audit trail (edit log) facility and the same has been enabled and operated throughout the year for all relevant transactions recorded in the software at the application level. The 'Independent Service Auditor's Assurance Reports on the Description of Controls, their Design and Operating Effectiveness' ('Type 2 report' issued in accordance with ISAE 3402, Assurance Reports on Controls at a Service Organization') was available. However, the audit trail logs are retained for six months for any direct data changes made at the database level. Furthermore, the accounting software used for maintenance of payroll related records has a feature of recording audit trail (edit log) facility and the same has been enabled and operated throughout the year for all relevant transactions recorded in the software. However, the audit trail logs from 1 August 2023 (date of implementation of software) to 31 March 2024 have not been preserved for the details of who made the changes i.e., User Id and when the changes were made i.e., timestamp at the application level by the Company as per the statutory requirements for record retention.

42 The Government of India has recently consolidated 29 existing labour legislations into a united framework comprising four Labour Code viz Code on Wages 2019, Code on Social Security, 2020, Industrial Relations Code, 2020, and Occupational Safety, Health and Working Conditions Code, 2020 (collectively referred to as the New Labour Codes). These New Labour Codes have been notified on 21 November 2023.

The Ministry of Labour & Employment published draft Central Rules and FAQs to enable assessment of the financial impact due to changes in regulations. The Company has assessed the impact of these changes with the best available information and guidance provided by the Institute of Chartered Accountants of India (ICAI). The impact of these changes is not material on the standalone financial statements. The Company continues to monitor the finalisation of Central/ State Rules and clarifications from the Government on other aspects of the Labour Codes and would provide appropriate accounting effect as and when such clarifications are issued/ rules are notified.

43 The Holding Company's shareholders, at their Annual General Meeting held on 28 September 2024, had approved the Signatureglobal Employee Stock Plan 2024 ("ESOP Plan"). The ESOP Plan is administered by the 'Nomination and Remuneration Committee' (NRC) constituted by the Board of Directors of the Holding Company. During the year ended 31 March 2026, the NRC in their meeting held on 15 May 2025, approved the grant of 850,000 stock options to eligible employees of the Holding Company, its subsidiaries and its associates, under the ESOP Plan, with graded vesting over the period of 1- 4 years, subject to fulfilment of specified conditions as per the said ESOP Plan

Summary of material accounting policies and other explanatory information for the year ended 31 March 2026

(All amounts are in millions ₹, unless otherwise specified)
